

Aero Components, LLC, founded in 1978, is an OEM approved, full service manufacturer of complex bonded and composite assemblies. Our motto is Always Committed to Improvement. This core belief and operating philosophy is instilled in all of our team members so everyone feels empowered to perform their operation to the utmost quality standard.

We are currently looking to add a 2nd shift Phosphoric Acid Process Assistant to the team! 2nd shift is Monday – Friday from 3:00 pm – 11:30 pm.

**Position Summary:**

As a member of the team, you would assist in the chemical processing of metal for aerospace manufacturing. Individuals would be trained and certified to work on the chemical process line which includes solvent cleaning along with various other chemicals.

**Physical Demands:**

Stand, walk, push, pull, reach overhead, and bend to the floor, as well as, exert 20 to 50 pounds of force occasionally, and/or exert 10 to 25 pounds of force frequently, and/or exert up to 10 pounds of force constantly to move objects.

To accomplish this job successfully, an individual must be able to perform, with or without reasonable accommodation, each essential function satisfactorily. Reasonable accommodations may be made to enable qualified individuals with disabilities to perform the essential functions.

Aero Components is registered with the U.S. State Department's Directorate of Defense Trade Controls (DDTC) and complies with requirements under the International Traffic in Arms Regulations (ITAR).
